

THE SIMON ESTES EDUCATIONAL FOUNDATION, INC.

2022 SCHOLARSHIP APPLICATION

THE FOUNDATION

Led by Jayne L. Reed, a small group of Tulsans met with opera star Simon Estes who was in town to perform with the Tulsa Opera. Bound by a mutual belief in the importance of education and concern for the many bright high school seniors financially unable to attend college, the group decided to do what they could to assist these promising young students. As a result, in 1983 The Simon Estes Educational Foundation, Inc. was created with Mr. Estes and Ms. Reed as Cofounders.

In the last thirty-eight years, The Foundation has assisted 425 scholars to attend prestigious colleges and universities throughout this country and participate in international study programs abroad. All graduates have taken their places in the professional world and serve as the greatest endorsement of the Foundation.

Our Mission: A multiracial, nonprofit Oklahoma organization, committed to promoting higher educational opportunities for Tulsa area high school seniors by providing scholarships made possible through charitable contributions. Moreover, The Simon Estes Educational Foundation not only provides funding, but it seeks to foster relationships with its students by providing mentoring opportunities throughout their college experience. While special consideration is given to African American, Asian/Pacific Islander, Hispanic, and Native American students, all applicants exhibiting scholastic excellence, financial need, and high moral standards are considered regardless of race, religion, sex, or ethnic origin.

THE SCHOLARSHIP

The Simon Estes Educational Foundation Scholarship offers an initial \$2,500 scholarship to graduating high school seniors planning to attend college this Fall 2022. This award may be renewed annually, up to four years, subject to available funding - renewal amounts may vary. The funds must be applied to tuition, books, or university room and board. The applicant must be a U.S. citizen or a foreign national with resident status. Students who are in the U.S. on a Student Visa are not eligible for the scholarship. Scholarship funding can be applied to any public or private four-year accredited university or college in the United States or abroad.

Restricted scholarships for students desiring to attend Oklahoma State University and those pursuing a law degree (Anna Goodwin Benn Memorial) have been established through the Foundation.

To maintain ongoing scholarships, students must retain a 3.0 grade point average, be enrolled full-time and provide an official transcript after each semester. Additionally, students must write their designated Simon Estes Adopt-A-Scholar sponsor twice a year – if applicable, attend Foundation functions as requested, and complete 4 hours of volunteer service arranged by the Foundation. Awards are limited and ALL deadlines are **strongly enforced**.

SELECTION: All applications are reviewed by a Pre-Screening Committee. Next, the top candidates from that review are contacted to schedule a personal interview with the Selection Committee. Those students selected as Simon Estes Scholars will be notified by mail of their acceptance.

QUALIFICATIONS: Applicants are carefully reviewed on the basis of a combination of criteria:

- Documented financial need
- High School G.P.A. of 3.5 or higher (weighted/un-weighted)
- ACT or SAT scores
- Prior acceptance to the college or university of choice
- Permanent residence within a thirty-five mile radius of Tulsa
- A well-defined motivation to pursue higher education and a personal sense of values
